## About Prevent COVIDU

- Is the vaccine able to protect people from getting infected with the virus that causes COVID-19?
- Does it prevent spreading the virus to others?
- When you join, you might get the vaccine immediately, by chance, OR months later on in the study

\*You do NOT have to get the vaccine to participate.

## Am I eligible?

- Never received a COVID-19 vaccine
- 18-29 years of age
- Never had a COVID-19 positive test

You will be compensated for your time.
